It is learnt that the case papers received from

the D.F.O., Kanara S.D. Honnavar has been sent to the D.C.Kanara on 4-9-1963 with a request to refer this case back to the D.F.O. after 30-4-1964, for his remarks because the D.F.O. has already laid out plots in this area and granted to the contractors ~~by~~ for storing timber purchased by them. Since the D.F.O.has granted this plot upto 30-4-1964 on lease and unless this lease period is over and timber is removed by the contractors completely from the area, the area applied for cannot be recommended.

It does not stand to reason that the consideration of the request of the Kalika Bhavani Education Society, Kansur, for the grant of 5 acres of land out of S.No.30 A1 of Tarehalli should wait till 30-4-1964. The land is required for the construction of the High School building and its adjuncts. The D.F.O.has already recommended the grant. Therefore, there should be no objection to take a decision in favour of the Education Society immediately. The actual handing over of the site may,however, be made on 1-5-1964, that is, immediately after the expiry of the period of lease now made in favour of Forest contractors

An area of 5 acres in minor Forest Survey No.30A(1) of Kansur has, it seems, been disforested and granted for the Society for the construction of the High School building.
